GRAPHIC DESIGN
SUPPLIED BY CONSUMER

The diagram illustrates a user interface for selecting tissue and packaging designs. It features four dropdown menus arranged in a 2x2 grid. The top-left menu is for 'TISSUE COUNT' with options 6, 8, 50, and 100. The top-right menu is for 'TISSUE COLOR' with options WHITE, BLUE, PINK, and GREEN. The bottom-left menu is for 'TISSUE DESIGN' with options DESIGN #1, DESIGN #2, DESIGN #3, and MY DESIGN. The bottom-right menu is for 'PACKAGING DESIGN' with options DESIGN #1, DESIGN #2, DESIGN #3, and MY DESIGN. Arrows point from the 'MY DESIGN' options in both the tissue and packaging design menus to a separate box labeled 'GRAPHIC DESIGN SUPPLIED BY CONSUMER'. The box is positioned below the bottom-left and bottom-right menus. The entire interface is contained within a rounded rectangular frame.
